### Welcome to Colomedow!

Once again we at Colomedow are happy to extend a hearty welcome to our many Shorthorn friends. We hope your visit is enjoyable as well as profitable.

Many changes have taken place at Colomedow since our last sale in 1962. Foremost we were blessed with two Grandsons. Ron and Mary Ann's son, Craig Franklin, was born March 17, 1964. On August 21, Connie Bob and Judy's son, Robert Brian, was born. No doubt this will assure a great future for Shorthorns at Colomedow.

The acquisition of Acadia Napoleon 66th has greatly improved our cattle. Even though young, his calves are already winning Championships for Acadia. We now have his first full crop of calves and they are great. He has spent his first full summer in our large dry pastures with forty cows and came in looking like a champion, which proves he is full of muscle, not fat.

We have used Louada Peerless generously and are looking forward to his calves. Since we are selling most of our yearling bred heifers, the buyers in this sale will own his first calves and I think they will be hard to beat in the show ring. Peerless has developed as expected and is going to make a big breed-improving bull.

The last three years have been drought years at Colomedow. Even though this creates many hardships, it does help us evaluate our cattle for doing-ability. It shows us which are the ones with lots of muscling. The fat ones fall apart quick under these conditions. Also milking ability stands out pretty plain.

We are happy to have a top consignment from Chuck-O-Luck Farms. This is a typical example of how a comparatively new breeder can reach the top in a hurry if he starts right, buys good bulls and uses good management. Dr. Tracy has bought the best regardless of price and it is fast paying off.

Shorthorn cattle have been rewarding in many ways for us and we heartily recommend them to anyone who wants to raise the best beef cattle on earth. Our calves have consistently outweighed the other breeds in the BCIA program; we have never had a dwarf or cancer eye; and we have had very little pink eye, etc., that retards the profit of other breeds.

We hope all of our friends will be with us October 4 for a leisure visit and inspection of the cattle. . . and will attend the October 5 sale. Regardless of your intentions -- to buy or to look -- you are welcome!

John F. Shuman & Sons'

invite you to an informal  
Social Hour

At The

John Shuman's new home  
(on the Byer's farm unit)

Byers, Colorado

4 to 6 p.m.  
Sunday, October 4, 1964

AN OBSERVATION . . .

This is my kind of purebred operation. Ride out into the native grass range at the Deer Trail ranch. . . see mama cows, youngsters and herd bulls working and prospering under the most practical of western ranching conditions.

Marvel at the size and the uniformity and the smoothness and the natural fleshing ability of these cattle.

And there is little question left in my mind that this is a program dedicated to beef improvement. . . that these are Beef Shorthorns capable of going anywhere and standing up with the best of company and fulfilling the broadest ambition for usefulness!

*John Mette*  
John Mette, for  
the INFLUENCE

Few breeders have been as tenacious as John Shuman in their search for top herd sires. Numerous champions and top sellers have, and are, seeing service at Colomeadow.

The improving results are obvious. This herd would fall among the top 10 breeding establishments which this writer has seen in his coast-to-coast travels.

Colomeadow not only contains top individuals but boasts top pedigrees. . . the Shuman Shorthorns are infused with the most successful bloodlines in North America. This combination of quality and pedigree makes for greater-than-ever buying opportunities in the October 5, Colomeadow Shorthorn Sale.

*Bill Stunkel*  
Bill Stunkel, Vice President  
The SHORTHORN WORLD

I have been servicing Shuman's Shorthorns for 15 years and can verify that the health of this herd is excellent. Good management and preventive medicine come first. All animals offered will be Banjo tested or vaccinated and T.B. tested. Eligible to travel anywhere.

*S. H. Banks, D.V.M.*  
STAHSBURG, Colo.

# Information

## SALE TIME

12:30 p.m. (MST).

## AUCTIONEER

Dick Kane, Wisner, Nebraska.

## LOCATION

At Colomedow Farms Inc., one-half mile West of Byers, Colo. (see map below).

## TELEPHONE

Call Byers, Colo., Area 303, 822-5300. Utilize this number prior to or during the sale. Someone will be present at all times.

## FREE SALE LUNCH

Colomedow Farms will host sale visitors, Monday noon, to a free barbecue. Lunch-time is 11:30 a.m. (MST). Barbecue prepared by Roy Brown, former Elbert County Sheriff.

## HEADQUARTERS

At the Holiday Inn, 13800 E. Colfax Ave., Aurora, Colo. (Phone 364-2671). Please MAKE YOUR RESERVATIONS DIRECT. Mark them "Shuman Shorthorn Sale". Or if coming from the East on Hiway 40, the Safari Motel or Midwest Hotel, Limon Colo.; the Trail Motel, Deer Trail, Colo. Or if coming from the East on Hiway 36, the Cabin Creek Motel, 9 miles north of Deer Trail. Or if coming from the West the Double E Motel at Straasberg, Colo. Or if you prefer to stay in Byers, the Pleasant Manor Motel.

## TRANSPORTATION

We will be pleased to assist in transportation -- please advise us in advance so

you will not be inconvenienced. From: the Denver Hilton (if you prefer to stay there); Stapleton Field in Denver; the Holiday Inn at Aurora; the Union Station in Denver; the Burlington at Ft. Morgan; the Rock Island and Union Pacific at Limon.

## TERMS OF SALE

Cash.\* All settlements must be made with clerk before cattle are moved from the farm. (\*We have made arrangements for some financing and welcome opportunity to discuss your special situation prior to sale time).

## HEALTH

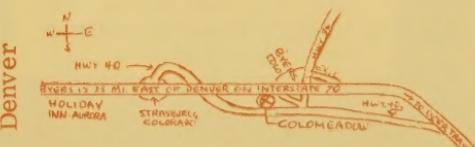

Official vaccination for Bangs disease has been practiced in the John F. Shuman and Sons' herd. T.B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 30 months of age. Every lot will comply with the health regulations of any state.

## GUARANTEE

All cattle will be sold under the Standard Guarantee recommended by the American Shorthorn Association. Shipment will be made as soon as possible. Cattle are at the owner's risk as soon as sold, but every care will be given until shipment is made. To avoid confusion, hand shipping instructions to clerk along with accurate information as to whom the pedigree is to be transferred.

## LIABILITY

The guarantee will constitute a contract between the buyer and seller of each lot. Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the cattle selling nor any of their representatives, nor auctioneers, clerks or any other affiliated personnel can assume any liability for accidents.

Denver

# FREE DELIVERY

JOHN F. SHUMAN AND SONS' WILL DELIVER FREE OF CHARGE -- TO CENTRAL LOCATIONS UP TO 1,000 MILES DISTANCE -- ANY PURCHASES MADE IN THIS SALE, AT A CONVENIENT DATE FOLLOWING THE SALE. INSURANCE FROM DATE OF SALE IS THE RESPONSIBILITY OF THE BUYER.

## The Colomedow Family....

is anxious to make your visit here as enjoyable as possible. Call upon any one or all of us for concerned assistance -- John and Bonnie Shuman, Connie Bob and Judy Shuman, 'Rusty' Pate (Farm Foreman), at the Byer's Unit. Ron and Mary Ann Shuman, Pete Hurtado (Ranch Foreman), at the Deer Trail Unit.

## Come Early To See The Cattle

Come anytime, of course. Especially so early on Sun., October 4. There will be informed personnel at the Byer's farm to show and talk about the cattle selling. There's a modern, new restaurant -- the Longhorn -- Byers and we know your party would enjoy Sunday dinner there.

### AND THE COW HERD, TOO!

The cow herd is maintained on native grass at the Deer Trail unit. Stop there on your way to the sale (1 mile West and 4 miles South of Deer Trail) or make it a part of your Sunday schedule. You will want to see Dams of sale cattle and verify our oft-stated belief that cow herds should be uniform, have size and be practically-maintained!

Reference Sire  
**COLOMEADOW CONTROL**

Though only a young bull, the expressed appreciation for this sire and his calves has been extensive. And rightfully so . . . because he is put together like a working sire should be. And he daily proves himself worthy of the praise by overseeing a sizeable cow unit out on our Deer Trail native grass range. Nothing speaks more convincingly for Colomeadow-brand Shorthorns than this product of our own production and his own progeny. Grand Champion at Denver in 1961. His calves we have sold to date have averaged \$130.

Reference Sire  
**MARELLBAR CONFESSOR**

The production of this sire has left little doubt that he has earned a special niche in Western beef improvement. Johnny Blume always had a lot of faith in this bull ("I sincerely believe he is about as near being the right kind of bull as any bull in the breed today.") and Confessor's performance since then surely justified Johnny's sometime-ago comments. Now owned by Willard and Joan Hartley of Brewster, Kan. Member of the first prize pair of yearlings at Chicago in 1958.

## MARELLBAR RAESIDE

Now Performing In The  
ARTHUR BAKENHUS  
AND SONS' HERD

### Reference Sire MARELLBAR RAESIDE

Many of you will remember we got this sire with the Hawthorne Herd, used him (and we are glad we did) and then sold him two years ago in our Production Sale. He went to the Ar-Su-Lu Acres herd of Arthur Bakenhus and Sons of Columbus, Neb., where his performance has been convincing. The bull is smooth but rugged and sound with lots of size. His pedigree is abundant with well-knowns including the 4,000 gm. Beaufort Captive, Perth Champion Burnton Bankbook, the 4500 gm. Cruggleton Raeside, etc.

### Reference Sire LEVELDALE RESTORER

The combination of Restorer on Colomedow-brand Shorthorn females has enriched our program and the programs of many customers. There will be more opportunity in this sale. This sire topped the 1961 Leveldale Sale and has proved an excellent investment. He is by that Scottish Highland Show Supreme Champion Uppermill Seafield. This sire line has worked wonderfully for good breeding programs the country over. Restorer sells as Lot 1.

Reference Sire

**KEYSTONE AMBASSADOR**

Here's a sire highly recommended by his progeny. . . and a feature of the Chuck-O-Luck Farm special consignment to this event. He was top-selling bull at the 1961 International Congress Sale, where he was Reserve Champion sale bull. He, too, was second junior yearling in the Chicago open show. He was a half brother to the Chicago Reserve Grand Champion Steer over all breeds, in 1961. Also, Ambassador was—in 1961—Grand Champion at Harrisburg and Reserve Junior Champion at the Eastern National.

## **Chuck-O-Luck sells with us...**

Chuck-O-Luck Farm, owned by the Dr. Don Tracy Family of Boulder, Colo., is a good customer of Colomeadow-brand Shorthorns. We were especially anxious to have them sell cattle with us, this year, because we are proud of them and their achievement (even though they have often bested us in the show-ring). The Tracy family typifies how a Shorthorn herd can grow and succeed when good cattle are purchased and sound management is applied. They started in a small way, but have grown steadily. Pay special attention to their guest consignment.

A valued service sire. The "66th" has nicked beautifully with Colomeadow-brand females (there will be much evidence of that on display at sale-time) and we are predicting the public will appreciate his progeny as much as we do here at Colomeadow. His offspring have every right to be good. This is a sire of great individuality, natural muscling, high in the rating of breed character, smooth, straight and correct. He, of course, has worked right out on open native range -- as all our herd sires do -- and many say he still looks like a champion. 1963 All-American; Reserve Grand Champion at the Eastern National, Pennsylvania National, Ohio State Fair; Grand Champion at the highly competitive Western Futurity.

A valued service sire. We went to Canada, to the famous Louada Farms Sale, to see if everything being said about the Rothes King calves was true. We found it was so in this individual. . . a bull we went to \$5,100 to own, to bring back to Colorado to use at Coloma -dow. Praise has been generous for this individual. We like his trimness, his correctness, his great stock bull head and his carriage. We think you, too, will like him and want to speculate on his siring ability.

Red. John F. Shuman 2793576

**COLOMEADOW ELLA BELLE.** This is the cow family that produced Colomeadow Control. Is there need to say more?

**Bred** since June 30 to Louada Peerless!

A large herd of cattle, primarily Shorthorns, is grazing in a field. The cattle are reddish-brown with white markings on their faces and legs. The background shows a line of trees and a clear sky.

## IT'S A RECORDED FACT...

That by recent comparison of registered calves weighed and recorded under the Colorado Beef Cattle Improvement Association program, Colomeadow-brand Shorthorns outweighed the average of ALL BREEDS 88 pounds on bulls and 95 pounds on heifers (adjusted to 200 days average weaning weight and to dam's age). Quite an accomplishment for such a significant beef-producing state. It's in the record... and that's real proof of performance!

*Real proof of  
performance is  
in the written record...*

## IT'S A RECORDED FACT...

That one-half interest in the Colomeadow-bred *Sting Ray* (originally sold for \$5,600 to the Dale Petty's of Eldora, Iowa) has been sold to Armour and Co's Beef Cattle Improvement Research Program for \$5,000. That recent Armour-conducted ultrasonic tests revealed he had 15.70 square inches of rib eye, 2.08 square inches of loin eye per 100 pounds carcass weight and .6 inch of back fat. That rates extremely good.

Colomeadow Apache by Colomeadow Control. Reserve Grand Champion Bull of the 1963 National Western Shorthorn Sale!

Colomeadow Fanfair by Colomeadow Control. Reserve Grand Champion Bull at the 1963 American Royal. And a popular winner he is too!

## IT'S A RECORDED FACT...

That John F. Shuman & Sons' Colomeadow-brand Shorthorn cows, weighed right off of typical Eastern Colorado native grass range at the time their calves were weaned, averaged 1205 pounds per cow. That the size, scale, uniformity, smoothness and natural fleshing ability of our cow herd has brought forth reams of praise in the beef cattle trade press from America to Australia. It's in the record. . . and that's real proof of performance!

...and there's showroom proof of performance, too!

Chiefly in the west and southwest cow country expositions where beef is led into the ring and displayed in the stalls to be judged by the keen eye of practical stockmen. Colomeadow-brand Shorthorns have set an enviable record at Denver, Ft. Worth, Kansas City, as well as the Colorado, Wyoming and other state and regional shows.

COLOMEADOW ELIZA. Here's a combination to tie to! A young cow selling with an August 12, Keystone Ambassador calf at side. We part with the pair because we want to offer buyers opportunity to take home a few Ambassador calves. Her dam, Eliza 42d, is the dam of Colomeadow Proud Leader owned by Doyle Bloder; Colomeadow Royal Lad, owned by R. F. Rickart; and Colomeadow King Pin, owned by Kimsey Bros. This is her first daughter and we think she is a good one.

Red. A. M. Talbot Fletcher

**COLOMEADOW ROTHES QUEEN.** Opportunity rare indeed. Few daughters of the 1954 International Grand Champion Ringwell Lode-star have been sold. This is an own Lodestar daughter and a Rothes Queen, too! She has never missed producing a good calf. A son, Colomeadow Gold Bar, sells as Lot 10. She sells with a May 7, red Colomeadow Control bull calf and is pasture bred back to him.

COLOMEADOW PRINCESS 22d. Lordy, we could write a book about this grand matron. She mothered Colomeadow Ranchero, Denver and Ft. Worth class winner now used by Herb and Ken Dalton, Kersey, Colo. Her 1963 heifer was Reserve Grand Champion at the Colorado State Shorthorn Show at Longmont. We are retaining her March 1964, Napoleon heifer because we think she will be a show winner. We want to point out that she has only one quarter, but nonetheless raises her calves without any trouble.

**Bred** since June 6 to Acadia Napoleon 66!

Roan. Arnold Bros.

AUGUSTA OF DON HILL 8th. Now who will be the breeder with foresight. . .the buyer of this grand lady of the Shorthorn breed? How better to spice our sale and spark breed interest than to offer the mother of the famous white bull, Ringwell Lodestar 2d? What a story this grand lady has written. . .and is still writing. She's the maternal granddam of the Dale Petty-Armour and Company owned Colomeadow Sting Ray we sold to a \$5600 Western Shorthorn Association record last spring. Her 1964 calf sells as Lot 77 in this sale and we think she symbolizes our belief in this brood cow.

# MORE FACTS

We mean business breeding better beef at Colomeadow Farms! You will find this quite evident when you stop to study this weight and grade report compiled through the Colorado Beef Cattle Improvement Association. Note (2) and (1) after some of the females. These refer to two- or one-year-old females. Do you wonder now whether Colomeadow-brand Short-horns are consistent in those sought-after uniformity and size characteristics?

# so they say...

Lee Cholak, Manager

Lewisfield

Charlottesville, Virginia

"Colomeadow Cluny Augusta is  
our kind of brood cow."

Sam Scott

Sledge, Mississippi

"I am well pleased with Colo-  
meadow Lordship."

Arch and Peg Allen

Livingston, Montana

"Colomeadow Silver Star com-  
bines quality and performance.  
His calves are all look alikes.  
Even we have trouble telling them  
apart."

Howard Johnstone

Centennial Farm

Topeka, Kansas

"The heifers we bought from  
Colomeadow are our best."

Billy Anderson  
West Liberty, Iowa

"I have had the pleasure of see-  
ing the Shuman cattle at different  
times and have observed contin-  
ual improvement. John and his  
Sons have always settled for  
nothing but the best in their se-  
lection of herd bulls. At their  
last sale I purchased two open  
heifers that have grown into  
grand young cows with calves  
that could very well be included  
in our show string."

Howard Bell, Manager  
Fernwood Farms  
Barrington, Illinois

"With one of the extreme top cow  
herds of the breed, there is  
little doubt why the Shuman cat-  
tle make good impressions  
wherever they go. Constructive  
breeders like John Shuman and  
his fine Sons have done much to  
give Shorthorns a boost in wes-  
tern competition."

R. F. Rickart  
Simla, Colorado

"We have used nothing but Shu-  
man bulls for years."

Willard and Joan Hartley  
Brewster, Kansas

"Practically all of our cattle  
came from Colomeadow. They  
have all done well for us."
